YEARBOOK MESSAGE

I extend my very best wishes to the class of 1967 for the future. Members of the class and the yearbook staff have assembled in this book a lasting record of achievement that will mean more to each of us with each passing year. My congratulations to all who had a part in producing it.

WILLIAM M. MAHONEY
Superintendent of Schools

Superintendent of Schools
DR. WILLIAM MAHONEY

Assistant Superintendent of Schools
DR. BERNARD McKEARNEY

YEARBOOK MESSAGE

Long after the formulas learned and theories discussed have been forgotten, the values and friendships formed in Hingham High School will be remembered. I wish you well in the years to come.

BERNARD J. McKEARNEY
Assistant Superintendent of Schools

PRINCIPAL

TO THE GRADUATING CLASS OF 1967:

Carl E. Holmes once said, "What we make of our lives depends on the decisions we make daily. Right living depends on right choices. It is up to us and no one else. We in America have the power of choice. Every day we are faced with new decisions, and our health, success and happiness depend on how we decide."

You have been prepared, through your fine education, to make wise and sound decisions for yourselves and for the good of all others.

My Best Wishes,
Charles L. Vickery

Principal of Hingham High School
MR. CHARLES VICKERY

TO THE CLASS OF 1967:

You have gone through school as a group, working together democratically to choose your officers, decide your policies and accomplish your aims.

You have also gone through school as individuals, each developing his own aims and ambitions, seeking and finding help in the resources which the school offers to all and growing mentally by contact with other minds.

My best wish for you is that you will be good citizens that you will cherish high ideas, and that you will enjoy living.

STEPHEN A. VENTO

A REAL RIGHT BOY

Let us not be weeping for that boy who went away,
He heard our Saviour call his name to be with Him that day.
He was doing all the right things, he appreciates our love,
But his Father wanted him in the big house up above.

Just think as we go creeping on sorrow's lonely way,
What a blessed Heaven picnic that boy has got today.
His eyes they brightly sparkle at the wondrous sights he views,
He loves us still — be faithful — we'll soon be with him too.

The Lord didn't give forever, that good boy and his smile,
He just thought we'd need some sunshine, and lent it for a while
To let us keep and love him 'till our hearts had bigger grown,
And many tears we're shedding now, since we must go on alone.

We seem to hear familiar sounds coming from afar,
The strains of perfect notes from his heavenly guitar.
Now all the saints in Heaven crowd around our little guy,
And with the Angels he now tends the garden in the sky.

So even though we mourn, let our hearts with Jesus rest,
And not go criticizing the One who knows the best;
He gives us many comforts, He's got the right to take
away,
He'll let that boy forget us not — forever and a day.

THE 1967 HOCKEY TEAM

Twelve games and still undefeated ... Canton four points behind and Williams out of the running ... we've got the league sewed up ... Team stunned by Canton (1-0) ... two games later Catholic Memorial catches the team down again (1-0) ... going into the the last game with Williams we had the league by one point ... coming out we had lost the game (5-2) and the league championship went to Canton ...

COACHED BY Mr. Connors

A crushing blow to the teams' hopes for the States ... paired with State Champs Needham for the first game ... Hingham hands Needham the BIGGEST UPSET IN THE HISTORY OF THE TOURNAMENT ... Two identical games with Wakefield and Beverly saw Hingham come out victors in the second overtime ... for the first time since 1957 the team made the semi-finals ... hopes for the State Championship ...
